MEMORANDUM FOR: Paul Goble

FROM: [redacted]
Chief, Intelligence Producers Council

SUBJECT: FY 1988 Production Enhancement Initiatives Review [redacted]

25X1

1. The IPC Staff recently conducted a review of 32 Production Enhancement Initiatives (PEIs) submitted by your organization as well as State, CIA, NSA, Navy, Army, and the National Intelligence Council. The Staff requested various organizations in the Intelligence Community to evaluate the originality of the proposals, their usefulness to the Community, and the likelihood that the projects could be successfully completed. [redacted]

2. Upon receiving the responses, the IPC Staff reviewed them and selected several PEIs to recommend to the Intelligence Producers Council for FY 1988 funding. The criteria for selection are based on guidance from the DCI, which states, in part, that PEIs should "offer new innovative and speculative ways to improve the quality of intelligence production by improving the analytic process." 3. Your PEI, [redacted] was reviewed by the IPC at the 24 February meeting. The council has deferred making a decision due to the HUMINT Committee concerns on cost and utility of your project. We recommend you recast and resubmit your proposal, taking the HUMINT Committee comments into consideration. Please resubmit your PEI to this office no later than close of business 4 April 1988 for IPC reconsideration at the 20 April meeting. Your proposal and reviews are attached. [redacted]
